Slavant, Anthony Samsel and/or residents of Crossett, where either of the facilities were discussed.

You may limit your search for records in response to the first two requests above to the period of April 8, 2013, to present. You may limit your search for records in response to the third and fourth request to the past twenty-four months.

I will accept records in digital format in lieu of a printed copy. This letter approves an EPA expenditure of up to \$500.00 to respond. Should EPA require a fee greater than that amount, please contact me as soon as possible with an estimate of the fee.

Thank you for addressing this request. Please feel free to contact me if you have any questions or require additional information.

Sincerely,
